Cake Flavors

CLASSIC FLAVORS

French Vanilla: Our version of a white “wedding cake” flavor – moist and light with just a hint of almond

Dark Chocolate: Similar to Devil’s Food – our richest cake flavor

Golden Yellow: Smooth and buttery – like the cake you make at home, only better

*Red Velvet: Classic sweet cocoa cake – a Southern favorite

*Banana: You’ll go “bananas” over this classic cake – made with real, ripe bananas

*Lemon: A perfect balance of subtle citrus and sweet lemon essence

*Strawberry: Dense, moist cake naturally flavored with real strawberries

*** When ordering cupcakes, a minimum of 12 per flavor are required for Red Velvet, Banana, Lemon, Strawberry and all premium flavors.**
