

WEDDING CAKES

TASTINGS

We provide a complimentary box of 4 flavors of cake and 4 flavors of filling of your choosing to enjoy in the comfort of your own home. Additional cake samples are 3.00 per flavor and additional fillings are .75 per flavor. You do not need to schedule an appointment to pick up a tasting box. Simply come in during our regular business hours, and we will pack up a box just for you! We will hold your wedding date without a deposit for 3 weeks from the time you pick up your tasting box.

BOOKING

If you would like to secure your wedding date and book your cake with us, we simply require a \$50 deposit. It is non-refundable but does go toward your final balance. We recommend securing your date with a deposit as soon as you know you would like The Cakery to be your wedding cake baker! We book up quickly, as we are a small bakery and are only able to take a limited number of wedding cakes per weekend. At time of booking, it is not necessary to know what flavor or design you would like for your cake. We will discuss all of those details at your consultation.

CONSULTATIONS

Each wedding cake of 50 servings or more includes one 1-hour consultation appointment with a cake designer. We are happy to schedule additional appointments for \$50 per hour. We are always happy to answer questions via phone or email as they arise. If you need a Friday or Saturday consultation appointment, please call several weeks in advance, as these appointments fill up quickly. We recommend scheduling your consultation 6-12 weeks before your wedding, once you have confirmed the details of your reception such as linens, table centerpieces, etc. Please bring with you any inspiration for your cake such as color swatches, topper, invitation, monogram design, etc..
